Thank you for allowing us to participate in the planning of your wedding. You must make many decisions about flowers, photographer, wedding and reception locations, caterers etc., and your very special dress. All of this planning is done to build a special memory for your dream day.

A special design can be incorporated into your wedding cake. Your only limits are your imagination. Please feel free to let us know if you have something special you would like. You can change almost anything up to the three weeks before the wedding, if you are NOT using gum paste flowers. You can change designs up to 2 months before if you plan to use the gum paste flowers. Please, no changes in size or design after the three-week deadline.

Ingredient cost is nominal in your cake - but time is a major factor. Some cakes can be baked and decorated in two days and others require weeks of preparation time. The more time involved in your special cake the more costly it will be.

Wedding cake servings on a four-layer cake are one inch wide and two inches deep or two inches square on a two-layer cake. We will try to make the serving of your cake as easy as possible. You are paying for the pretty on your cake so we want to keep it pretty as long as possible. All cakes cannot be handled the same and we will be glad to advise you on your particular cake design.

You will need to make arrangements for your cake knife and cake server. We do not serve cake. Your cake will have many wooden and plastic dowels for support. These are to be removed and placed on the tray before serving. Sometimes it is best to have a container under the cake table so the cake boards, supports and any other non-edible items can be placed out of sight.

Delivery and setup of your cake is \$40.00 if it is delivered in the Denham Springs/Baton Rouge area. There will be a charge of 75 cents per mile (one-way) for delivery outside our 20-mile radius. We use Mapquest to determine mileage.

After the wedding please return, as soon as possible, all of the plastic plates, columns, and etc. used in the assembling of your cake. We do not want back the wood and plastic support dowels or the Styrofoam dummies. These items are disposable. We will give you a list of items to be returned. If this is a problem please notify us. A fee of \$25 will be charged if it is necessary for us to pick up the equipment.

We have several silver cake plateaus and fountain available for rent. Cake prices do not include plastic ornamentation, silk flowers, real flowers, ribbon, or cake topper unless it is specified on your invoice. These items are extra. We require a security retainer to cover equipment that may be returned damaged or not returned at all. The retainer will be completely refunded when the wedding is over and all equipment is returned in good condition. The retainer fee will not be applied to the cost of your wedding cake. If the equipment is not returned within five days of your event, a late fee of \$5 per day will be charged. If the equipment is not returned within twelve days the retainer check will be cashed and not refunded to you. Not all cakes will require an equipment retainer. It depends on the design you pick.

If you are using fresh flowers on your cake the florist is responsible for the flowers and making sure that the flowers and foliage are safe to place on an edible cake. Some flowers and foliage are not safe to use. It is your responsibility to select wisely with the assistance of your florist. If you would like us to place the fresh flowers on the cake there will be an additional fee of \$10 per tier charged for that service (you provide the flowers). Kyleen is a licensed florist and can arrange wedding flowers per your request.

Regarding wedding cake orders of at least 128 servings - At your reception area you will find a complimentary 6" heart cake for you to take with you. You can then enjoy more than the traditional one bite of cake you eat for your pictures. If you chose, you can have your top tier of your wedding cake served and the free heart shaped cake saved and frozen for your anniversary. Please make sure you let the cake server know of your decision and whether the cake needs to be sent on your honeymoon or frozen.

A non-refundable deposit of \$50.00 is required to hold your wedding date. Please do not assume your date is held until the deposit is made. Cancellation Policy - If the wedding cakes are canceled before 60 days from the scheduled wedding date, all the monies paid to us will be refunded minus your \$50 deposit. The remaining balance, all detail changes, cake flavors, size, etc. will be due in full 21 days prior to your event. Payments made after the deadline but up to seven days prior to your event will need to be made in cash and will accrue a late fee of \$10.00 per day from the due date. If payment is not made in full seven days prior to your event, your cake order will be canceled without refund. Please make all payments to "Fairy Dust Cakes".

We will do our very best to make your wedding cake a very special part of your wedding day memories. You may reach us anytime Monday through Saturday by phone or any day via email. Please keep in mind Thursdays, Fridays and Saturdays are very busy with cake production and deliveries, so it may take me a while to respond to your email.

Thank you and God bless,

Kyleen Kiger-Smith
